VILLAGE ONE - - - LEAF & BRUSH PICK UP INSTRUCTIONS

BRUSH AND BAG PROCEDURE

Village One provides removal of brush and bags for our members. Paper bags are available in the maintenance office 732-350-2202 for purchase. There are several guidelines for you to follow to make this as efficient as possible.

- Brush and bags must be out the night before and/or no later that **6:30am** the morning of pickup.
- Raking and/or blowing of leaves to the curb is NOT PERMITTED and will not be picked up by the Village.
- There will be no return and/or doubling back for calls regarding missed pickups or late callers. There are numerous men on the trucks doing the pickups and it is highly unlikely that we are missing any piles or bags.
- Typically, there are 2-3 vehicles making the rounds, one dedicated for brush with the wood chipper in tow and one for bags.
- Brown paper recyclable lawn and leaf bags are the ONLY type of bags permitted to be picked up and used for yard clean up.
- **These bags are for leaves, pine needles, acorns & pine cones only.**
- The workers will leave your bags if there is any evidence of improper materials i.e., sticks, planters, soil, rocks, grass clippings, dog waste, water bottles, gloves etc. The proper intended materials are not heavy and should not make the bags heavy where the workers struggle to get them in the truck.
- **These rules are promulgated by Manchester Township and can revoke our dumping privileges if not strictly adhered to.**
- Brush is to be left in neat piles by the curbside, on the lawn.
- The brush will be picked up and chipped as we make our way through the Village.
- Excessively large piles may not be picked up if it appears that the brush piles were left by a subcontractor. A call will be placed to the member.
- NO tree stumps or root balls of any kind are accepted.

These changes, if not done properly, can cause structural damage to the building, fire hazards in the case of improper electrical work and health hazards in the case of improper plumbing repairs/installations. MANCHESTER COORDINATING COUNCIL

The MCC monthly meeting was held at Crestwood Village 5 clubhouse
325 Schoolhouse Rd, Whiting NJ
October 25, 2026 @ 1:30PM

Guest Speaker Kathleen Cullinan from Rutgers Cooperative Extension, who was joined by colleague Dina Baldo, presented the new Age-Friendly Ocean County initiative. Launched in June, 2026, Ocean County is the first in the state to approve a multi-sector plan for aging. Priorities include transportation, housing, healthcare, social connection, and caregiving. The website is agefriendlyoceancounty.org.

Highlighted was the Ocean County text line, 848-266-6981, where residents can text questions in approximately 110 languages at any time and receive reliable, vetted responses through a human-supervised AI program. For answers it cannot provide, referrals are made to local organizations for further information. Leyla Wade, from County Connection, explained that they are a one-stop access point for Ocean County government services and nonprofit resources. These services include referrals to Senior Services, Veterans Services, Consumer Affairs, and other county departments. They also offer passport services, free notary, veteran identification cards (with a DD-214) and small-business training information.

Jennifer Bacchione, County Connection supervisor, described outreach through a mobile van, which hopes to reach all 33 municipalities in Ocean County. The van can provide information and assistance with passport photos, veteran IDs, Ocean Ride schedules, property-tax relief applications, and referrals. The Ocean County Mall office also offers free monthly in-house programs, and everyone is invited to stop in. Homebound programs may assist those with limited mobility and provide wellness check screenings.

Next month's meeting will be held on Monday, November 23, 2026; the guest topic will be the Manchester Superintendent of Schools.
