Before I begin this month's newsletter I want to make a sincere apology for April's newsletter. I listed various holidays and days of celebration, but I neglected to include a very important holiday, Passover. I'd like to thank the member who brought it to my attention. Once again please accept my apologies.

It's May already, I've been doing this monthly article for over a year. Please, forgive me if I repeat myself now or in the future. It's been very interesting researching what has happened in the past each month. Here's a great example, in this month there are **30 days** of holidays and celebrations. Some days have multiple celebrations. **May 19**th is the only day without anything special going on. I've listed a few (by date) that stand out to me.

May 5th: Cinco De Mayo is celebrated every year on May 5, a day for many to party and drink. Do we know why? It commemorates the victory of the Mexicans over the French in the Battle of Puebla during the Franco-Mexican War in 1862.

May 9th: *Military Spouse Appreciation Day*, also known as Military Spouse Day, is an annual celebration on the **Friday before Mother's Day**. It honors and recognizes all the support and sacrifices of the spouses of the soldiers in the United States Armed Forces.

May 11th: *Mother's Day*, one of the earliest, Greek Mythology. It revolves around Rhea, who was Mother Earth's daughter. Rhea was known as the 'Mother of Gods' and represented nature and fertility. A festival would be held each year in Spring to celebrate and honor the goddess, Rhea. - Anna Maria Jarvis is credited with creating Mother's Day in the United States. She held the first official Mother's Day celebration in 1908

May 26th: *Memorial Day* is observed in America on the last Monday of May, and it is a day to commemorate and remember the men and women who lost their lives while in service for the US military.

Memorial Day Weekend: The beginning of the Jersey Shore Season

A busy month for all, have fun. Can't wait until June, the history of Friday the 13th

Thank you, John

Just a little note regarding the 26th. It's a very special day to honor those that lost their lives while in service for the US military. You may want to say a prayer and give thanks before you bite into that hamburger.

MAINTENANCE

MINUTE

Hello Residents of Crestwood Village 1!

Total Work Orders (past 30 days) = 287

Now that Spring has officially sprung, I am seeing lots of residents out and about. This time of year is for spring cleanups, in and around your units and I am sending this to help residents better understand the dos and don'ts related to some of these activities.

Yard Cleanups

Residents are expected to maintain their properties. If raking leaves or pine needles, they must be bagged in brown paper leaf bags. Soil, branches, garbage are not permitted to be put in the bags. If the Maintenance workers come by and they feel these materials are in the bag, THEY WILL NOT PICKUP THE BAG(S). Leaf bags are to be brought out to the curb prior to 7:00 AM on all Thursdays, as this is Village 1's dedicated day for brush and bag removal. Speaking of brush, this must also be brought to the curb prior to pickup, in manageable piles. The brush is for branches and trimming, not for large trees or root balls. Lawn bags are available through the Maintenance Department at a cost of \$5 for 5 bags, please call to schedule delivery.

Lawn Service

We have a general idea when the mowers are coming, but inclement weather does affect their schedule quite a bit. It is important that you keep yards clean and mostly clear so they can efficiently perform the service they provide. If you have hired a separate lawn service to do your yards, then it is imperative that you place "DO NOT MOW" flags around the property, so the Village lawn service knows to skip your property. If you notice any damage or have any questions or concerns please contact the Maintenance Department so that we can investigate the claim and contact the appropriate people.

Landscapers

If you are utilizing a landscaping company to maintain your lawns or properties, you must place flags around your property (pink – Do Not Mow flags) so the contracted Village mowers know to pass your property. If your landscapers are trimming or removing trees, they are required to take all their work debris with them. The Village will not pick up landscapers debris and trust me, it's pretty easy to tell the difference when a resident is cutting and trimming compared to a professional landscaper.

Mulch

The installation of wood mulch is no longer permitted within the 3' area of the buildings. This has become a New Jersey policy, which Crestwood Village 1 is now enforcing. Some options to consider include rubberized mulch, stones or topsoil. Wood mulch is now considered a combustible landscaping material and must be kept away from our buildings. This NJ Fire Code regulation is now effective as of April 15, 2025.

Sheds

The Village does allow residents to purchase storage sheds for the property. There is a specific size that residents must adhere to and a permission request form is required for sheds. Please contact the Maintenance Department for more information.

Hoses & Spigots

If you are in need of connecting your hose, please call the Maintenance Department. If you are looking to water around your units with your outside spigot and you notice there is no water or a reduced water flow, please contact the Maintenance Department. There is a possibility that the piping associated with the spigot suffered a failure or simply the water was turned off at the end of last season and just needs to be turned back on. If you do notice issues with the spigot, please do not continue to use as additional damages might occur. The Maintenance Department is replacing spigots or completing repairs, which are 100% chargeable to the residents (went into effect 2023), please call for current pricing.

Air Conditioning Units

Central air conditioning residents are responsible for their air conditioning, service and any repairs. If you are installing a new central air conditioning system, the condensation drain lines are not permitted to deposit into the crawlspace and must be run to the exterior of the buildings. For those with wall units, please make sure your covers are removed prior to activating. Window units are not permitted anywhere in the Village. Please call the Maintenance Department if you need assistance in removing the covers.

Trees

If you feel there is a dangerous tree in your area or a tree that is currently resting on your roofs, please contact the Maintenance Department so an inspection can be completed to determine if the trees meet the Village's criteria for removal.

Dogs

Please clean up after your dogs while out on walks and dispose of it in your own garbage. If you walk your dog around your unit, you are expected to clean up after them immediately. The area outside of the 3' perimeter of your unit is considered common grounds and are used by several people and they should not be subjected to your dogs "land mines". Dogs are to be leashed at all times and should never be left unattended. Dog leads are not permitted. I see plenty of residents who have posted signs on the lawns regarding people cleaning up after their dogs, which means to me that people are not cleaning up after them.

As always, if you have a question or a concern, please contact the Trustees Office or the Maintenance Office for assistance.

Thanks, Your Maintenance Department (732) 350-2202 – OFFICE

FLUSHING FIRE HYDRANTS

Manchester Township Department of Utilities Eastern & Western Service Area will be systematically flushing fire hydrants between the month of May 2025. Each community will be notified when flushing begins in their area. Flushing will occur both day & night, hours will vary.

During this time, you may experience a difference in pressure and discoloration.

Run your cold-water tap only until it runs clear.

We apologize for any inconvenience this may cause. Any questions or concerns please call the Manchester Twp. Utilities Water Plant at **732-914-1200**.

Sadly for the Village, after 14 years here, Joanne has retired. It's her turn to relax and enjoy life. While I will truly miss her, I wish her the very best during this next stage in her life. I would also like to welcome Merredith to the office staff. I believe she will be a perfect fit here and wish her years of happiness here in the Village. Come on down and say hello!

Nancy

MANCHESTER COORDINATING COUNCIL

The MCC monthly meeting was held on Monday, March 24, 2025 at Village 5 Clubhouse, Schoolhouse Rd, Whiting, NJ.

Mayor Hankins announced that Melissa, Director of Senior Services, handles programs and recreation in and around town for our mind, body, and spirit. Judy Noonan handles problems and supports the Mayor. Melissa will also attend our monthly meetings to keep us connected and up to date with the activities being held.

Pat Donahue from Somebody CARES presented. They are 50 years old this year. They are offering Senior Advocates, medical equipment programs, legal services, financial advisors, assistance with filling out forms for seniors, notary services, and wellness calls. Also a Cares Cafe. Soon they will have a supermarket-style food pantry, a computer lab, and many other benefits. Hours are now Monday Tuesday Wednesday 10-4, Thursday Friday 10-6, and every other Saturday. An Advisory board is being set up. A representative from each Community will work with CARES to bring back to CARES what the residents need. Contact Somebody CARES for information regarding the delivery of meals to residents in need every Thursday. They need Volunteers please call 732–350-1400.

Tim Hart from Ocean County Parks Department gave a presentation. Ocean County Parks are 85 years old this year. Began on Ocean BLVD Lakewood NJ, home of JD Rockefeller. The New Board of Commissioners is Robert Arace. Volunteering with the parks guarantees a wonderful time exploring the Parks enjoying fresh air, maintaining trails, and meeting new people. The newest park is being built in Manchester and is located at Ridgeway Branch. 266 acres on Route 571. Splash park, pickle-ball, trails and park. Sight was an airport in the 1920s. Also home to a dairy farm and the train tracks of the Blue Comet. From 1929 to 1941 ran from Atlantic City to New York City. Ocean County has 19 Parks in 3,095 Acres. Well-maintained and preserved land to enjoy hiking, biking swimming, canoeing, fishing, ball fields, and so much more. Parks from Point Pleasant to Tuckerton.

Melissa from Senior Services will regularly attend the MCC meetings. She requested contact from each Community so she can make sure all the information is being distributed.

Next month's meeting is April 28. Rutgers University will speak about Aging in Place.

Anna Marie Russo Manchester Coordinating Council Recording Secretary
