Once again, health concerns have been an issue, but I hope to be cleared sometime early this month. I apologize for my absence and appreciate everyone's understanding. Much of the information below comes from my own research, which I wanted to share with you.

November has been a very busy month throughout history of many events and holidays.

All Saints Day, discovery of King Tuts tomb, Russian Revolution, Veteran's Day. This is just a few moments in November's history.

Now let's look at **Thanksgiving**, a celebration between the Plymouth Colonists and the Wampanoag People, to celebrate the successful 1st harvest of the Pilgrims.

Then the politicians got involved. 1863 Lincoln declared a National Day of Thanksgiving. Before that Washington declared the first national Thanksgiving to celebrate the new constitution. President Roosevelt moved Thanksgiving to the next to the last Thursday in November to extend the shopping season. Some states did not comply, so Congress and Roosevelt intervened and made the official day the 4th Thursday in November.

That's just a little of the history of November.

Thank you,

John

As we move further into the season, community members are reminded to take extra precautions with the changing weather and earlier nightfall. Please keep an eye out for neighbors who may be walking in the area and always follow parking guidelines to ensure everyone's safety. Heading into winter, let's look out for one another and enjoy the festivities and traditions that make November so memorable. Wishing you a safe and joyful holiday season!

We need representatives to serve our community

Reps meetings are on the last Thursday of the month, we ask you to deliver the monthly Newsletter & the Sun paper, and act as a liaison to the Board of Directors.

A New Resident on Aster Place

A peacock wandered into our yard this morning and has been leisurely exploring the neighborhood all afternoon, occasionally pausing to fan out his beautiful feathers. We called the zoo for advice—they assured us he's fine and recommended just letting him be.

MINUTE

Happy Fall to the Members of Village 1!

Total Work Orders Completed (past 30 days) = 307

I am sure I am not alone in saying this, but where did this year go? It has certainly been a busy one for us, but if you are one of our newer residents that we haven't had the pleasure to meet or talk with, welcome and we wish you good health and lots of luck in your new residence. This month I feel it would be best to make this article sort of a grab bag of different topics that have been dealt with in the past and those that we will be sure to be dealing with in the future. If you ever have a concern about a problem that you are having please contact us at the Maintenance Office (732) 350-2202 or the Trustees Office ((732) 350-1818), don't ever feel that you are bothering or us, you think it's insignificant or maybe you feel that it might be slightly embarrassing...we are here to help you and if we can't help you directly, we can surely point you in the right direction to get the assistance you need. Often times things are not reported and we cannot help you if we do not know there is something to address. You can email us here at the Maintenance Department using our general email at crestwood1maintenance@gmail.com.

Flushable Wipes/Plumbing

On several separate occasions, our main sanitary sewers have become packed solid in the streets to a point where the sewage has actually come out the manhole covers located in the streets and/or have backed up into buildings with the same. The biggest culprit? Glad you asked, it is toilet wipes... flushable, non-flushable, septic and sewer safe, paper towels and anything else that is out there as a commercial product. These items do not break down like toilet paper as advertised and it will travel down the sanitary sewer and before long we have a major issue as soon as it gets caught up. You have to try and remember that these sewers and plumbing in most cases under the buildings are nearly 60 years old. Over that time there have been reports of some pretty weird things coming out of the plumbing causing blockages, which is not great, but at least you can understand why something would be getting clogged up. These wipes will just accumulate to a point where no water is able to pass through. The Maintenance Department will be the first to try to eliminate the clog, but if there is a substantial blockage, the Village has to contact an outside contractor and this will typically cost the Village almost \$600 per occurrence for them to come out and service. If they cannot clear the blockage, this means the blockage is out into the street and Manchester Township will come to clear the blockage in the street.

There are times where it is simply a blockage, but if the Maintenance Department or one of the services identifies wipes as the cause of the blockage. There are some instances where it is very obvious and if it is, the resident responsible for flushing of these wipes will be expected to pay not only for any repairs, but potentially for the cost for the outside contractor as well.

THE FLUSHING OF FLUSHABLE, NON-FLUSHABLE, SEPTIC AND SEWER SAFE WIPES AND PAPER TOWELS IS NO LONGER PERMITTED IN CRESTWOOD VILLAGE 1. IF YOU MUST USE WIPES OF ANY VARIETY MUST BE THROWN OUT WITH YOUR HOUSEHOLD TRASH. THE ONLY THING THAT CAN BE FLUSHED IS TOILET PAPER.

Cooking grease is another huge issue affecting our plumbing systems. Please use caution and limit any grease that you might deposit down your kitchen sink drain, these can block up the works if too much grease goes down. Please consider putting the grease into a container and depositing it into your household trash or following the moto "when in doubt, melt it out"...simply meaning if any grease going down the drain is followed by a copious amount of hot water.

Leaves

Far too often while driving in Village 1, I am seeing many residents that have either started to blow the leaves and needles from their properties into the street along the curb. These piles will not be picked up by the Village or the mowers. Additionally, raking, blowing or making piles of leaves on your properties for the mowers to pick up is also not allowed. The mowers will not drive over these piles as they don't know what's under it and will not take the risk to avoid damage to their mowers. The cuts become more spread out during this time of the year and the leaves will remain piled up there.

Residents are expected to utilize brown paper leaf bags to collect the needles and leaves from the property. The Village provides WEEKLY brush and bag pickups on Thursdays, please utilize this service as it helps to keep our community nice and tidy. You can get these bags from any hardware store. The Maintenance Department also has these recyclable bags on hand at a cost of \$5 for 5 bags.

TOWING WITHIN THE VILLAGE IS NOW IN EFFECT

Unregistered, illegally parked and inoperable vehicles are subject to towing. We are also beginning to tow unauthorized vehicles parked in our overflow lot behind the golf course. The Village has no authority once the vehicle is towed.

You would need to contact Accurate Towing at **732-349-6439** directly to get the costs and arrange retrieving your vehicle.

The Board has no control or input over advertisers in the Monthly newsletter

About the cover.....

We're proud to feature another cover painted by our very own **Rich Moskow** – celebrating the talent within our community.

About the artist...

I moved to Crestwood Village One three years ago, bringing with me a lifelong passion for art. My journey as an artist began in 1972 with the completion of my first painting. I went on to graduate from the DuCret School of the Arts in 1981, and later from the Armat School of Graphic Arts in 1988. Over the years, my work has been featured in several exhibitions, including at the Barron Arts Center in Woodbridge, New Jersey.

- Rich Moskow

The Manchester Township Mayor's Veterans Advisory Committee is in the process of compiling a list of veterans' groups and organizations within our township. If you are a member of such a group, or know of any active veterans' organizations operating locally, we would greatly appreciate your assistance.

Please contact **Tracey Lynch at 732-657-8121 ext. 5102** to share your group's name and any relevant contact information.

Thank you for your service and for helping us strengthen our connection to the veteran community.
