Hi, It's November, which means it's time for some Turkey, homemade cooking, and family. Black Friday is the start of holiday shopping.

Americans generally believe their Thanksgiving is modeled on a 1621 harvest feast shared by the English colonists (Pilgrims) of Plymouth and the Wampanoag people (Native Americans).

I never knew the following (from the web).

Thanksgiving has been celebrated nationally on and off since 1789, with a proclamation by President <u>George Washington</u>. President <u>Thomas Jefferson</u> chose not to observe the holiday. Its celebration was intermittent until President <u>Abraham Lincoln</u>, in 1863, proclaimed a national day of "Thanksgiving and Praise to our beneficent <u>Father</u> who dwelleth in the Heavens," calling on the American people to also, "with humble penitence for our national perverseness and disobedience ... fervently implore the interposition of the Almighty hand to heal the wounds of the nation". Lincoln declared it for the last Thursday in November.

On June 28, 1870, President <u>Ulysses S. Grant</u> signed into law the Holidays Act that made Thanksgiving a yearly appointed federal holiday in Washington, D.C.

There was even controversy about whether it was celebrated on the 3rd or 4th Thursday of November. An act of Congress made it the 4th Thursday in November 1942.

For me, it's simply a day to enjoy and to be with family.

Thank you, John (Gobble Gobble)

UNDERSTANDING HOARDING

While some people see hoarding as mere disorganization, it can have a deep impact on mental health and overall well-being. Many who struggle with hoarding tendencies often deal with anxiety and depression leading to strong emotional attachments to their belongings that others might not understand. Moreover, hoarding can pose risks not just for the individual but also for those living nearby, creating significant fire hazards.

Fortunately, there is support available, including online groups dedicated to helping those affected by hoarding.

MAINTENANCE

MINUTE

Happy Thanksgiving Residents of Village 1!

Total Work Orders Completed (past 30 days) = 342

I am sure I am not alone in saying this, but where did this year go? It has certainly been a busy one for us, but if you are one of our newer residents that we haven't had the pleasure to meet or talk with, welcome and we wish you good health and lots of luck in your new residence. This month I feel it would be best to make this article sort of a grab bag of different topics that have been dealt with in the past and those that we will be sure to be dealing with in the future. If you ever have a concern about a problem that you are having please contact us at the Maintenance Office ((732) 350-2202) or the Trustees Office ((732) 350-1818), don't ever feel that you are bothering or us, you think it's insignificant or maybe you feel that it might be slightly embarrassing...we are here to help you and if we can't help you directly, we can surely point you in the right direction to get the assistance you need. Often times things are not reported and we cannot help you if we do not know there is something to address. You can email us here at the Maintenance Department using our general email at crestwood1maintenance@gmail.com.

Flushable Wipes/Plumbing

On several separate occasions, our main sanitary sewers have become packed solid in the streets to a point where the sewage has actually come out the manhole covers located in the streets and/or have backed up into buildings with the same. The biggest culprit? Glad you asked, it is toilet wipes...flushable, non-flushable, septic and sewer safe, paper towels and anything else that is out there as a commercial product. These items do not break down like toilet paper as advertised and it will travel down the sanitary sewer and before long we have a major issue as soon as it gets caught up. You have to try and remember that these sewers and plumbing in most cases under the buildings are nearly 60 years old. Over that time there have been reports of some pretty weird things coming out of the plumbing causing blockages, which is not great, but at least you can understand why something would be getting clogged up. These wipes will just accumulate to a point where no water is able to pass through. The Maintenance Department will be the first to try to eliminate the clog, but if there is a substantial blockage, the Village has to contact an outside contractor and this will typically cost the Village almost \$600 per occurrence for them to come out and service. If they cannot clear the blockage, this means the blockage is out into the street and Manchester Township will come to clear the blockage in the street.

There are times where it is simply a blockage, but if the Maintenance Department or one of the services identifies wipes as the cause of the blockage. There are some instances where it is very obvious and if it is, the resident responsible for flushing of these wipes will be expected to pay not only for any repairs, but potentially for the cost for the outside contractor as well.

THE FLUSHING OF FLUSHABLE, NON-FLUSHABLE, SEPTIC AND SEWER SAFE WIPES AND PAPER TOWELS IS NO LONGER PERMITTED IN CRESTWOOD VILLAGE 1. IF YOU MUST USE WIPES OF ANY VARIETY MUST BE THROWN OUT WITH YOUR HOUSEHOLD TRASH. THE ONLY THING THAT CAN BE FLUSHED IS TOILET PAPER.

Cooking grease is another huge issue affecting our plumbing systems. Please use caution and limit any grease that you might deposit down your kitchen sink drain, these can block up the works if too much grease goes down. Please consider putting the grease into a container and depositing it into your household trash or following the moto "when in doubt, melt it out"...simply meaning if any grease going down the drain is followed by a copious amount of hot water.

Leaves

Far too often while driving in Village 1, I am seeing many residents that have either started to blow the leaves and needles from their properties into the street along the curb. These piles will not be picked up by the Village or the mowers. Additionally, raking, blowing or making piles of leaves on your properties for the mowers to pick up is also not allowed. The mowers will not drive over these piles as they don't know what's under it and will not take the risk to avoid damage to their mowers. The cuts become more spread out during this time of the year and the leaves will remain piled up there.

Residents are expected to utilize brown paper leaf bags to collect the needles and leaves from the property. The Village provides WEEKLY brush and bag pickups on Thursdays, please utilize this service as it helps to keep our community nice and tidy. You can get these bags from any hardware store. The Maintenance Department also has these recyclable bags on hand at a cost of \$5 for 5 bags.

Snow

Can't believe I mentioning this already, but within the next couple of months snow will become an inevitability. As always, we are going to hope for the best, but prepare for the worst. Snow stakes, around the time of this publication, will start to be installed out and into the appropriate locations as decided by the Maintenance Department. PLEASE do not remove or move these snow stakes, they are located in these positions for a reason and that is to minimize potential damage to driveways, garbage cans, mailboxes and storm drains. This topic will be discussed in further detail for next month's newsletter, but for now please take note of the following.

There is absolutely no on-street parking during snow storms. The procedure calls for street plowing to begin at 3" of accumulation, then the driveways and then finally the sidewalks. If you have a regularly scheduled medical appointment, you must provide this to the Trustees Office on paper with the doctor's letterhead on it. These are the only residents that will be provided advanced service to give them the opportunity to get to their needed appointments. Please have these requests submitted as early as possible to either the Trustees Office or the Maintenance Department.

Please see below for an update to out Thanksgiving Schedule. Offices Closed, Thursday, 11/28/24 & Friday, 11/29/24.

Take care and be well!

NOVEMBER 11, 2024

In memory of

Aurelio Rizzolo

Orie passed away on October 11, 2024 at 101 years old. He had a wonderful sense of humor. His quick wit warranted him the admiration he adored. Aurelio took great pride in his service in the 82nd Airborne and proudly wore his WWII hat with his jump wings and medals everywhere he went. He was often the center of attention and enjoyed sharing the unlimited stories of his past with others.

He was a true extrovert at heart and lived life to the fullest.
