Hello everyone,

Another month has gone by and we’re already into March. Hopefully, we are finished with the snow.

I lived outside of Syracuse for six years, and on March 13, 1993, we experienced a 42-inch snowstorm with **NO ICE**. However, I have never seen ice like we had during our last storm. Some areas had at least two inches of ice accumulation. We were told it was the worst storm in over 30 years.

Our Maintenance Department did everything they could under very difficult conditions. Overall, they did a great job, and we appreciate their efforts.

With 1,016 units in our community, someone has to be first and someone has to be last when it comes to service. You are always welcome to call the office with any questions or concerns. However, yelling at office staff will result in a fine, as this behavior violates our Code of Conduct.

Please also be reminded that withholding any portion of your monthly maintenance fee violates our By-Laws and places your account in default. Accounts in default will be forwarded to the Village Attorney for further action.

We ask that everyone review the Rules and Regulations regarding snow removal, specifically page 2. They can be found on our website at crestwoodvillageone.com under Residents Resources, Village Documents, Rules, Governance & Official Documents.

Let’s hope March weather improves — in like a lion, out like a lamb.

Thank you,
John

TOWING WITHIN THE VILLAGE IS NOW IN EFFECT

Unregistered, illegally parked and inoperable vehicles are subject to towing.

We are also beginning to tow unauthorized vehicles parked in our overflow lot behind the golf course. The Village has no authority once the vehicle is towed.

You would need to contact Accurate Towing at **732-349-6439** directly to get the costs and arrange retrieving your vehicle.

Planting a Garden...

A small garden, not to exceed 8 feet by 10 feet (80 square feet), may be permitted with prior authorization from the Board of Trustees. The garden must be located in an area that does not create an unsightly condition for surrounding properties. The garden must be properly maintained throughout the growing season and fully cleaned up at the end of the season.

MAINTENANCE

MINUTE

Greetings Village 1 Members!

Total Work Orders (past 30 days) = 189

Throughout Crestwood Village 1, the Maintenance Department has come across many issues regarding the use of SharkBite plumbing fittings. These are “push-to-connect” plumbing fittings used to attach water supply lines together. The issues we have come across are major leaks in the interior of buildings, resulting in damage to subfloors, cabinets and vanities. Other issues include multiple SharkBite fittings leaking in crawlspaces, which creates a potentially hazardous situation with excess water and moisture...not to mention these fittings are located on supply lines, which will result in increases to your water bill.

The benefits to the SharkBite is the speed and durability in which they can be installed and allows the non-plumber the ability to attempt to make these connections. The negatives to the SharkBite when speaking to most professional plumbers, they will only use these as a last resort, an emergency fix and not part of a permanent or enclosed plumbing system. There are concerns regarding their long term durability and high potential for leaks, which we *have* experienced first-hand. The fittings are susceptible to cold and will lead to problems if not installed correctly. They rely on an O-ring and locking mechanism, which has been proven to not withstand the test of time, when compared to traditional methods.

To that end, the Crestwood Village Co-op has voted and elected that the use of these SharkBite fittings are no longer permitted in Village 1. You, the resident, will have to make sure the plumber you hire will not use these fittings and if they are observed during a post-construction inspection, you will be responsible for hiring or contacting the plumber so they can use an alternative method of connecting water lines. Whether that means using the appropriate PEX crimp connection, compression fittings or the tried and true method of soldering when available. This is in an attempt to protect the buildings structure and integrity, as again, we’ve seen several occasions where these SharkBite fittings have failed and caused significant damage.

At any point in time that the Maintenance Department comes across these SharkBite fittings, the resident will receive a letter stating the fittings need to be replaced. You will be given 30 days to remedy the situation. An inspection will be completed after these 30 days and if the work is not done, the Crestwood Village Co-op will hire a plumber to correct the situation and you will be charged accordingly.

As always, if you have a question or a concern, please contact the Trustees Office or the Maintenance Office for assistance.

Thanks,

Your Maintenance Department

Welcome to Crestwood Village 1! We're delighted to welcome you to our community and hope your move is smooth and your new home brings you comfort and happiness.

Be sure to check the **Residents Club notices**, and join us at the next meeting on **Monday, March 9th at 6:30 PM**. It's a great opportunity to meet your neighbors, get involved, and receive a warm, personal welcome.

The Residents Club is a wonderful way to connect, build new friendships, and truly feel at home here at Crestwood Village 1.

We look forward to meeting you!

Roast Pork Tenderloin

VILLAGE 1
Recipes

- 1 1lb. Pork Tenderloin
- 2 slices of Bacon
- 1 tbsp. Butter
- 3 tbsp. sweet relish
- 1/3 cup chopped onions
- 1 8 oz. can tomato sauce
- 2 tbsp. white vinegar
- 1 tsp. white sugar
- 1 tbsp. chopped parsley

Arrange bacon on top of pork loin. Place roast on rack in shallow roasting pan. Roast uncovered in a 350 degree oven for about 35-40 minutes or until the internal temp is 170 degrees.

Cook onion in butter till tender. Add tomato sauce, sweet relish, vinegar, parsley and sugar. Simmer uncovered for 10 minutes.

Pour 1 tbsp. of sauce on plate. Slice pork tenderloin and place 3 slices on top of sauce. Add your favorite vegetable and starch. Enjoy.

PARKING NOTICE FRIENDSHIP HALL

Due to the limited size of the Friendship Hall parking lot, the Board will no longer permit vehicles or trailers to remain parked there overnight. We have experienced ongoing parking shortages during events held at the Clubhouse.

**All vehicles and trailers must be removed by May 1, 2026.
Any vehicles or trailers remaining after that date will be
towed at the owner's expense.**

Please avoid any inconvenience by ensuring your vehicle or trailer is removed prior to the deadline. Thank you for your understanding and prompt attention to this matter.

ROBO CALLS

We are aware that many residents have not been receiving our automated ("robo") calls. It appears that all affected residents use Comcast/Xfinity for their phone service.

One of our representatives has contacted Comcast, and they have confirmed that the calls are being blocked. Comcast is working with our representative to resolve the issue. This matter is unfortunately beyond our control, but we hope it will be corrected as soon as possible.
