We're getting closer to summer and many of our warm weather activities.

At the end of May we celebrate Memorial Day honoring our fallen service members. As we enjoy our outdoor activities and barbeque, please, take a moment to remember those who paid the ultimate price to protect our freedoms and others around the world. Also, take time to thank those who have and continue to serve.

web

May represents the height of spring, growth, fertility, and renewal in the Northern Hemisphere. Named after the Greek goddess Maia—goddess of growth and spring—it symbolizes a time of blooming, warmer weather, and agricultural beginnings, often associated with the nurturing power of the earth.

May is widely known as the height of spring in the Northern Hemisphere, characterized by blooming flowers, warmer weather, and the "[Flower Moon]". It is celebrated for major holidays like Mother's Day, Memorial Day, and May Day, while also serving as a popular time for military history and awareness months, such as Mental Health Awareness Month.

end web

May is a month with many events thought-out history. Lewis and Clark begin their expedition up the Missouri River as well as other historical events.

The summer is getting closer so we need to get busy planting our gardens.

Enjoy!

Thank you,
John

Jean Feola
410D Highland Drive

I was born in Jersey City, graduated from the Woodbridge Vocational/Technical High School, lived mostly in Metuchen and Milltown before moving to Hoboken where I resided with my husband Joe until retiring to Whiting in 2007.

While raising my four children, I owned and managed my own Fencing Business for 7 years where I was responsible for the daily operation of services, preparation of contracts and specifications. This business is still in operation under the management of a new owner. I was also employed for 7 years by Merrill Lynch in the relocation/maintenance services and by the Port Authority of New York & New Jersey for 10 years before retiring in 2007.

My father lived in Village 1 for many years. My husband Joe and I have lived on Highland Drive now since 2007. We are active in the Residents Club, Bocce/Shuffleboard and the Golf Club and enjoy the many activities throughout the week at the Clubhouse. I have served as a member of the Board of Trustees since 2014. As the Vice President, I attended the Manchester Coordinating Council along with the Environmental Commission. I served the Liason for the Fire Wise Committee. As the President, I preside over all meetings, appoint committees and handle other duties as needed. I am also on the Interview Committee for new applicants.

I am an energetic and capable "worker" and have enjoyed getting to know many residents of Village 1 while assisting with various activities of clubs and fund raising events. I believe my experience, people skills, training and continuing education classes give me a wide scope of knowledge that could be used in association with the current needs and future of Village 1. I would consider it a privilege to continue to serve our community as a member of the Board of Trustees.

Maryann Gatti

Resume for Election to Board of Trustees CV1

I am currently serving as Treasurer of Village 1, and seeking re-election to the board.

My goals as Treasurer are to keep us in healthy financial condition, meeting escalating maintenance demands and new regulatory rules, and working on creative ways to increase our revenue; while growing our savings for any unforeseen issues which may arise. Recent projects include clubhouse remodeling and a much-needed AC/Heat system.

I was formerly an **Interior Decorator**, working on bids and projects in the contract building field, with a working knowledge of planning, and costs related to large building construction and renovations.

I was also a **Litigation Paralegal** working in the Intellectual Properties [IP] field pertaining to patents and trademarks, and became a **Licensed Private Investigator** focusing on missing person cases, conducting extensive searches of public records, interviewing witnesses, taking depositions, evidence gathering, legal writing, and developing case strategies. I am analytical and objective.

A Crestwood I resident since 2015, I like keeping busy. I believe that my positive attitude, willingness to listen, career experience, and capabilities, are assets to the Board of Trustees; and I assure you that the entire board is working diligently as a team to keep the village in good financial and physical condition for us all.

I am a hard worker. I welcome the opportunity to continue serving the village community, and

I am asking for your support and your vote in the upcoming election. Thank you.

Crestwood Village 1

Candidate Statement - Crestwood Village One Board of Trustees

As a ten year resident of Crestwood Village 1 I've seen our community evolve in many ways – some changes have strengthened the Village, while others have raised concerns among residents. I am applying for the open seat on the Board of Trustees to bring a fresh perspective, strengthen communication, and ensure that every resident feels heard and represented.

My professional background is rooted in financial management, including successful tenures with AT&T Credit Corp and CIT Bank. In these roles, I ensured that high-value telecommunications equipment contracts were executed accurately and on schedule. This required detailed review of lease agreements and legal documentation, along with close coordination with internal teams and major national vendors. I was entrusted with managing two of the top five vendors in the country, and my performance was recognized through AT&T's Circle of Excellence Award for two consecutive years, with a nomination for a third. This experience reflects my commitment to accuracy, accountability, and responsible stewardship – qualities that directly support effective HOA governance.

Since moving to Crestwood Village One, our HOA fees have increased by 44.7%. With such significant growth, it is essential for residents to clearly understand how these funds are being used and how they benefit the entire community. I believe in transparency, fiscal responsibility, and thoughtful decision making, and I want to help ensure that our resources are managed in ways that support all residents.

My goal is simple: to contribute positively to the Village, advocate for fairness, and help create a community where every resident feels confident in how their HOA operates.
