We are well into the summer, I hope everyone enjoying this time and staying cool. We are celebrating our nations 250th birthday on the 4th of July and look forward to USA hosting the World Cup, it is certainly an exciting time for our country.

Web:

July 1, 1862 - President Abraham Lincoln signed the first income tax bill, levying a 3% income tax on annual incomes of \$600-\$10,000 and a 5% tax on incomes over \$10,000. Also on this day, the Bureau of Internal Revenue was established by an Act of Congress.

July 1, 1863 - Beginning of the Battle of Gettysburg during the American Civil War.

July 2, 1776 - The Continental Congress in Philadelphia adopted the following resolution, that these United Colonies are, and of right ought to be, free and independent States, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the State of Great Britain is, and ought to be, totally dissolved.

July 2, 1788 - Congress announced the United States Constitution had been ratified by the required nine states and that a committee had been appointed to make preparations for the new American government.

July 2, 1964 - President Lyndon B. Johnson signed the Civil Rights Act of 1964

July 4, 1776 - The Declaration of Independence was approved by the Continental Congress.

July 27, 1953 - The Korean War ended with the signing of an armistice by U.S. and North Korean delegates at Panmunjom, Korea. ””

July has been a busy month though-out our nations history and in more ways than just military. However, this is our country’s 250th birthday and we need to say thank you to our Founding Fathers; John Adams, Benjamin Franklin, Alexander Hamilton, John Jay, Thomas Jefferson, James Madison, and George Washington and our military that has protected our freedoms and other countries for 250 years.

It’s these freedoms that allow us to agree or disagree without fear of interference by the government. That is not the case in many other countries. So I will take a moment to say thank you to all. Enough said!

Thank you, John
Happy 4th of July!

MANCHESTER COORDINATING COUNCIL

The MCC monthly meeting was held at Crestwood Village 5 clubhouse
325 Schoolhouse Rd, Whiting NJ

Melissa DePalma from Senior Services explained the assistance being offered for Manchester seniors. On Tuesday, July 14, from 9:00 a.m. to 1:00 p.m. at the Crestwood Village 5 clubhouse, Division representatives will be on site to assist residents with filing their 2025 Property Tax Relief Applications.

Yolanda Giovannetti presented an introduction to Artificial Intelligence (AI) and discussed some of its potential dangers. She explained that AI is when computers are designed to think, learn, and solve problems. It is the technology behind many tools we already use, such as voice assistants and smartphone cameras. Examples included Siri and Alexa, Netflix and YouTube recommendations, spam filters that catch junk email, autocorrect, GPS navigation, and Facebook friends and memories.

She also shared tips on staying safe and smart with AI:

- Never share passwords, Social Security numbers, or bank information.
- Stick to trusted apps and websites.
- Double-check information provided by AI.

Judy Noonan announced that she has collected over 1,000 signatures on the Petition in Opposition to Assembly Bill A3466, which she will be submitting this week.

Council members announced their weekly council meeting. The budget was scheduled to be introduced at that meeting, with efforts being made to reduce the financial burden on residents.

The issue of trailers accumulating at the intersection of Route 530 and Schoolhouse Road was raised. The trailers are reportedly located on wetlands. Complaints have been filed, and violations have been issued, but the trailers remain. Code officials are continuing to work on the matter. The trailers are expected to be moved by Tuesday, April 28, 2026.

Traffic concerns were also discussed, including the need for a traffic light at Beckerville Road.

The next meeting will be held on June 22. Mayor Joseph Hankins and Business Administrator Carl Bock will discuss the Master Plan, including what it is and what should be included in it.

Please notify Maintenance the 1st sign of a water leak

Continuous leaks can lead to structural damage in walls and ceilings.

Maintenance is responsible for common areas and building exteriors, while you, the member, are responsible for everything inside your unit's walls

Easy Solution: Call maintenance when you notice a leak.

Examples of leaking fixtures that commonly cause damage include:

- Faucets and sink supply lines
- Toilets (tank leaks, wax ring failures, supply line leaks)
- Bathtubs and showers
- Water heaters
- Refrigerators with water lines
- Dishwashers and washing machines
