As we move into September we are closing in on the end of Summer and the beginning of Fall.

“September gets its name from "septem," the Latin word for seven, because it was the seventh month in the early Roman calendar. It marks the transition from summer to autumn in the Northern Hemisphere and features unique historical milestones, seasonal shifts, and pop-culture trivia.

Labor Day is a national observance that celebrates the value of hard work and the labour movement's role in securing workers' rights and fair conditions. ” **END**

Labor Day is September 7th 2026 the unofficial end of Summer. The beginning of a new school year for kids after Labor Day weekend.

Also, we cannot forget the terrorist's attacks of 9/11/2001 {9/11}. A date we can never and should never forget.

On every anniversary in New York City, the names of the victims who died there are read out over music. The President of the United States attends a memorial service at the Pentagon, [494] and asks Americans to observe Patriot Day with a moment of silence. VILLAGE ONE - - - LEAF & BRUSH PICK UP INSTRUCTIONS

BRUSH AND BAG PROCEDURE

Village One provides removal of brush and bags for our members. Paper bags are available in the maintenance office 732-350-2202 for purchase. There are several guidelines for you to follow to make this as efficient as possible.

- Brush and bags must be out the night before and/or no later that **6:30am** the morning of pickup.
 - Raking and/or blowing of leaves to the curb is NOT PERMITTED and will not be picked up by the Village.
 - There will be no return and/or doubling back for calls regarding missed pickups or late callers. There are numerous men on the trucks doing the pickups and it is highly unlikely that we are missing any piles or bags.
 - Typically, there are 2-3 vehicles making the rounds, one dedicated for brush with the wood chipper in tow and one for bags.
 - Brown paper recyclable lawn and leaf bags are the ONLY type of bags permitted to be picked up and used for yard clean up.
 - **These bags are for leaves, pine needles, acorns & pine cones only.**
 - The workers will leave your bags if there is any evidence of improper materials i.e., sticks, planters, soil, rocks, grass clippings, dog waste, water bottles, gloves etc. The proper intended materials are not heavy and should not make the bags heavy where the workers struggle to get them in the truck.
 - **These rules are promulgated by Manchester Township and can revoke our dumping privileges if not strictly adhered to.**
 - Brush is to be left in neat piles by the curbside, on the lawn.
 - The brush will be picked up and chipped as we make our way through the Village.
 - Excessively large piles may not be picked up if it appears that the brush piles were left by a subcontractor. A call will be placed to the member.
 - NO tree stumps or root balls of any kind are accepted.

OCEAN COUNTY CONNECTION

Ocean County Connection will be joining us to share information about the many services available to seniors, including resources that can help older adults remain independent and connected to the community.

They will also highlight upcoming programs, activities, and special events that they sponsor throughout Ocean County.

We will be serving Hot dog, chips and a drink
