FROM THE DESK OF THE VP

October 2026

The summer is over. Now we're into fall, bagging leaves and getting ready for winter. I hope it's better than last year We don't need all that snow, especially the ice. Here are some days to remember from the past.

web

"**October 19, 1781:** British forces under General Cornwallis surrendered at Yorktown, Virginia, securing a decisive American and French victory in the Revolutionary War.

October 1–4, 1957: The Soviet Union launched Sputnik 1, marking the official start of the Space Age as the first artificial satellite entered Earth's orbit.

October 16–28, 1962: The Cuban Missile Crisis brought the U.S. and the Soviet Union to the threat of nuclear war during a tense 13-day political and military standoff.

October 24, 1945: The United Nations was officially founded after the UN Charter was ratified by a majority of its member nations.

October 1–19, 1946: The Nuremberg Trials concluded with the International Military Tribunal sentencing high-ranking Nazi leaders for war crimes.

October 24–29, 1929: The Wall Street Crash occurred, marking the beginning of a severe stock market collapse that signaled the start of the Great Depression." **END**

The biggest day in October is Halloween. It's not an official holiday but it reminds us that the start of the holiday season is very close.

If after 10 days the hazard continues, the Trustees shall cause the condition to be corrected and charge the member for said correction.

11. A small garden a maximum of 8' by 10' or 80 sq. ft. is permitted. Permission requests form must be submitted and authorized by the Trustees. It must be in a location that does not become unsightly to surrounding areas and be 12" away from the building and no higher than the windowsill. The location must first be approved by either a Trustee or a Maintenance Manager.

12. The raking of leaves, removal of twigs, branches and other debris which gather on the walkways, driveways and parking areas are the responsibility of the member. Leaves are not to be blown or pushed into the street or raked into piles on the common grounds. It is also the member's responsibility to keep the outside of their units neat and tidy.

13. Receptacles such as metal or plastic garbage or recycling containers are not permitted to stand along the outside wall of a building. Sheds are allowed with written consent from the Board of Trustees.

Thank You

I just want to take a moment to thank each and every one of you from the bottom of my heart.

The cards, flowers, calls, visits, messages, and all the love and kindness you've shown me have meant more than I could ever put into words.

During my recovery, knowing that so many wonderful people were thinking of me has truly lifted my spirits.

I feel so blessed to be surrounded by such caring and loving people.
Thank you for every hug, every prayer, every kind word, and every beautiful gesture.

I appreciate all of you more than you know.

God bless you all, and thank you for making me feel so loved!!

VILLAGE ONE - - - LEAF & BRUSH PICK UP INSTRUCTIONS

BRUSH AND BAG PROCEDURE

Village One provides removal of brush and bags for our members. Paper bags are available in the maintenance office 732-350-2202 for purchase. There are several guidelines for you to follow to make this as efficient as possible.

- Brush and bags must be out the night before and/or no later that **6:30am** the morning of pickup.
- Raking and/or blowing of leaves to the curb is NOT PERMITTED and will not be picked up by the Village.
- There will be no return and/or doubling back for calls regarding missed pickups or late callers. There are numerous men on the trucks doing the pickups and it is highly unlikely that we are missing any piles or bags.
- Typically, there are 2-3 vehicles making the rounds, one dedicated for brush with the wood chipper in tow and one for bags.
- Brown paper recyclable lawn and leaf bags are the ONLY type of bags permitted to be picked up and used for yard clean up.
- **These bags are for leaves, pine needles, acorns & pine cones only.**
- The workers will leave your bags if there is any evidence of improper materials i.e., sticks, planters, soil, rocks, grass clippings, dog waste, water bottles, gloves etc. The proper intended materials are not heavy and should not make the bags heavy where the workers struggle to get them in the truck.
- **These rules are promulgated by Manchester Township and can revoke our dumping privileges if not strictly adhered to.**
- Brush is to be left in neat piles by the curbside, on the lawn.
- The brush will be picked up and chipped as we make our way through the Village.
- Excessively large piles may not be picked up if it appears that the brush piles were left by a subcontractor. A call will be placed to the member.
- NO tree stumps or root balls of any kind are accepted.
